

King's Pointe Waterpark Resort offers flexible spaces that adapt flawlessly to your meeting goals and accommodates most communication and technological requirements. Our meeting and conference facilities can accommodate groups up to 300 people and small groups can be housed in one of our executive boardrooms. The hotel offers a wide range of technology services, both wireless and wired Internet access and staff to assist you with it all. Choose from one of our tailored catering menus or create one of your own.

Your group will enjoy our brand new lakeside resort and all the amenities needed to maximize the goals of your event. Our experienced staff will do what it takes to make your event a success.

At the close of business, enjoy some networking time in the Regatta Grille, a few holes of golf next door, fitness facilities and 70,000 square feet of waterpark fun!
