5. What is your purpose of your visit?

Immediate family members, approved by the resident or resident's representative, who do not screen positive for #2, #3, or #4 above, are allowed.

Routine social visits are not essential.

NOTE: This is not a complete ban on all visitors, but routine social visits are strongly discouraged. COVID-19 is extremely dangerous for senior adults with early estimates of at least a 15% mortality rate for older adults 80+ years old. Many populations outside of the elderly do not show any symptoms but are able to transmit the virus to others.

Please remember to wash your hands or use ABHR throughout your time in the building Please do not shake hands with, touch or hug individuals during your visit.
