### VEGETABLE of the DAY • 4

### BAKED POTATO • 3

### GARLIC MASHED POTATOES • 4

### SMOKED GOUDA MAC-N-CHEESE • 5

## How did King's Pointe Waterpark Resort come to be?

WELL, IT'S A LONG STORY, BUT MAYBE WE CAN GIVE YOU A BRIEF HISTORY BEFORE YOUR DINNER ARRIVES.

IT ALL STARTS WITH THE LAKE. Storm Lake is shallow and has a clay bottom with a large amount of silt on top of the clay. The wave action created by our considerable winds keep the sediment stirred up so that the water sometimes looks cloudy. To eliminate that problem a dredging project was begun in 2002 with the goal of deepening one half of the lake to depth of 13 feet. This will prevent the wave action from stirring the sediment resulting in cleaner,

WE HOPE WE HAVE CREATED A FAMILY FRIENDLY ENVIRONMENT, WITH FIRST CLASS PHYSICAL FACILITIES AND WORLD CLASS CUSTOMER SERVICE.

clearer, more user friendly water. Our thanks to Buena Vista County, the State of Iowa, the Federal Government, the City of Storm Lake, the City of Lakeside, the Lake Preservation Association and private contributors for the funding to start and continue this project.

With improved water quality, the idea of building a resort on the lake surfaced in late 2002. So in early 2003 the City of Storm Lake, with the help of the Iowa Department of Economic Development and various local businesses, commissioned a conceptual plan and feasibility study for such a resort.

The conceptual plan was unveiled in early 2004. The plan received rave reviews from the community. From there, the City, with the help of nearly 250 community volunteers completed the plans that resulted in a \$9 million Vision Iowa grant that is the key piece of funding for the nearly \$39 million project. The term 'Project AWAYSIS' (a combination of 'getting away' and 'oasis') was coined to refer to the overall project that includes King's Pointe Waterpark Resort, the Great Lawn, family playground, lighthouse, Lakeshore Drive Beach, a renovated campground, a renovated golf course, lakeside cabins, a new

Senior Center and the lighted trail.

The goals of Project AWAYSIS are to enhance the quality of life in Storm Lake, generate economic activity and make Storm Lake a 'destination'. We hope we have created a family friendly environment, with first class physical facilities and world class customer service.

We chose the name King's Pointe after seeing old maps that referred to this area as King's Point (we added the 'e'). We don't know the origin of Kings Point but we thought it fit well.

Thank you for experiencing the Regatta. We hope we have exceeded your expectations.
